Auburn State Theater New Concession Stand to Open in October!

The Auburn State Theater is nearing the end of their renovation to their new concession stand and ADA approved restrooms. These additions will offer more space, help with organized lines and a faster trip through the concession stand. The men will also have an ADA restroom with more than a standard ceiling height!

The Board of Education has also voted to purchase equipment for the hearing-impaired. This equipment has been ordered and installation should be completed by

late November or early December.

The Auburn State Theater greatly appreciates all the support and donations that they have received from not only Auburn but Southeast Nebraska. The State Theater now features digital projection, a new screen, new floor and new seating in the auditorium. The sound system has been upgraded to 7.1 and movies can now be shown in RealD 3D XL and High Frame Rate. The ceiling in the current concession stand as well as the carpet have

also been recently replaced. All of these upgrades and additions definitely make the State Theater a place to go to for all your movie needs!

Don't forget the State Theater will also be showing the Nebraska Cornhusker Football games every Saturday. Doors open one hour before kickoff and admission is FREE! There are also concessions available for your purchase.

So come check out the State Theater today! You won't be disappointed!

Nemaha Valley Museum's Annual Meeting— October 13th

The Nemaha Valley Museum's annual meeting will be held at Arbor Manor on Monday October 13th at 6:30 pm.

Fr. Thomas Dunavan will be the speaker presenting a PowerPoint presentation of "A Buchenwald Survivor Returns: Richard Bedford, P-47 pilot, on the 69th anniversary of Liberation." Fr. Thomas Dunavan, grandson of Richard L. Bedford, a

World War II P-47 Fighter Pilot, accompanied his grandfather by invitation for a visit to the concentration camp called Buchenwald near Weimar, Germany in April 2014. Fr. Dunavan will recount his visit and give a bit of the history that led to 168 Allied Airmen being incarcerated for termination at the camp. This interesting and little known chapter of history on the

grand stage of WWII will come into a more clear focus for all who are lovers of history.

Dinner tickets will be \$13.00 per person and you will have a choice of smothered steak or chicken breast. Please RSVP to Mary Schlange at 402-274-5407 or Maxine Schatz at 402-274-3735 by October 5th. Come join us for the evening.

SAAC Sponsoring Sixth Annual Make a Difference Day

Peru State's Student Athlete Advisory Council (SAAC) was formed six years ago by the College's athletic director, Steve Schneider. As the group was formed, part of the discussion was how the student-athletes could not only help improve and develop their athletic programs, but how they could help the community.

For the sixth year in a row, SAAC has decided one of their community service projects includes participating in the 24th annual Make a Difference Day. Considered the nation's largest day of service, Make a Difference Day is the most encompassing national day of helping others—a celebration of people helping people. It was creat-

ed by USA Weekend Magazine and is an annual event that takes place on the fourth Saturday of every October. The Points of Light and USA Weekend Magazine have collaborated on the event for over 20 years with the focus on providing dedicated community service.

Highway 136 Construction Update

The construction on Highway 136 in Auburn city limits is in the final two phases of the project. Phase 4.3 was started the last week of September and consists of working on the lanes from Irvin Drive and west to 638 Avenue. The process of removing all of the old highway and temporary roadways should be completed by the first or second week of October. Hawkins Construction will soon start to work on the storm sewers and inlets in this area. They will then progress to working on the base roadway and start to

pour around the second to third week of October, weather permitting. This pour will take place in two stages, the main driving lane and then curbs and gutters.

Hawkins is hopeful to finish Phase 4.3 by the end of October and start the last phase of the project around this time.

About 99% of the sod has been laid along the construction route. There will be a contractor that will water and maintain the sod for the first 30 days after it has been put down.

There will also be crews that will be working in the Phase 3 area, K Street to Irvin Drive, to put up new posts for mailboxes.

In the Downtown area, work was completed on the handicap access ramps on the corners of Hwy 136 and 75. After they have cured, then they will be opened for use. Striping will take place as soon as the weather permits. Crews have been line up several times to put in the parking stalls, however, they continue to be delayed because of the weather.

Auburn Memorial Library

Tuesday, October 7th

6:30 p.m.

Steamboat!

Step back in time and meet the woman pilot who inspired her 2014 novel, *A Captain for Laura Rose*. This program shares the romance and danger of 19th century steamboating on the "Big Muddy," i.e., the Missouri River, called a "steamboat graveyard" by those who plied its treacherous waters.

Presented by
the Friends of the Library group
